

Follow the steps below to access your medical images from
Mink Radiologic Imaging.

1. You will receive an email that looks like the image below. When you open the email you will see information about the medical images that were shared with you and a link to access your imaging:

☐ ☆ > Mink Radiologic Ima. Welcome to MINK Radiologic Imaging's image sharing platform - Andrew Creedon has shared a study with ... 12:42 PM

2. Click on the secure link in the email. You will be taken to a webpage and prompted to register for an Ambra Health account.

Note: When registering for your account, please use the *same* email address that received the original email.

3. Once you are in your account, you will be able to View, Download and Share your medical images.
