After you click “Share”, as described on the previous page, this window will appear. “Message to recipient” is optional. Click the “Email” tab if necessary. Then carefully enter the email address of the person with whom you want to share your study. You are responsible for entering an accurate email address. Then click “Share Studies”.

The recipient will receive an email notification that you have shared your study with them. They must click the link in the email which will take them to our registration process. After they register they can log in and view your study. Note: If you share your study with someone, they will be able to share your study with others.

The screenshot shows a web application interface with a modal dialog box titled "Share Studies". The background is dimmed, showing a sidebar with the "MINK RADIOLOGIC IMAGING" logo and "Studies" section, and a main content area with a "Share" button and a "Download" button. The dialog box contains the following elements:

- Title:** Share Studies (with a close 'x' button in the top right corner).
- Content:** "You are sharing the following studies:" followed by a list item: "GREEN^KRISTINE".
- Message to recipient:** A text input field with a placeholder "Message to recipient".
- Email:** A section header "Email" above an "Email address" input field.
- Buttons:** "Share Studies" (blue) and "Close" (white) buttons at the bottom right.
